Animal Match

How to use this pack ♥

- Print on plain A4 — no color printer needed.
- Slip a page into a sleeve + use a dry-erase marker to reuse forever.
- Sit together for 5–10 mins. Praise the effort, not the result.
- No pressure! If they wander off, that's totally fine. 😊

Ages 2–3

Match the Colors

Draw a line from each crayon to the matching paint blob.

Say each color out loud as you match it. Can you find one thing in the room for each color? 🧐

Ages 2.5–4 · Prewriting

Trace the Paths

Help each friend get home. Trace the dotted path with your finger first, then a crayon.

Tip: big arm movements first! Tracing in the air builds the muscles for writing later. 💪

Ages 3–4 · Counting

Count & Circle 12 34

Count the treats. Then color in the right number of circles.

Touch each item as you count — one number per touch. That's the magic of "one-to-one" counting! ✨

Ages 2-4 · Thinking

Who Lives Where? 🐾

Draw a line from each animal to its home.

			
			
			
			
			

Make the animal sounds together as you go. Learning sticks best when it's silly! 🐶🐸
